2022 Reflections

A year of change:

- Michelle Byrne, Haley Shear, and Sonja Niles left the Library to explore new careers and next chapters.

A year of new beginnings:

- Julie Mohanlall and Christina Beiderbecke joined our team as PT Library Clerks.
- Kate Karnisky joined our team as our FT Youth Services Coordinator.

New Programs and Services:

Kate's experience providing library programs at a neighboring Wayne County Library and as a lead teacher at a local daycare brings new programs and outreach opportunities to the Library.

The Library expanded digital access via the installation of a Digital Equity Booth made possible via a grant from the Rochester Regional Library Council ARPA Funding. It provides online access and privacy to patrons for telehealth appointments, job interviews, online testing, meetings etc.

The Library received a grant from OWWL Library System for Zoom Text software and a magnifier to assist patrons with low vision.
